

Lawyers in Libraries

Law Day May 1

*Because libraries are at the heart of our communities
and justice is at the heart of our democracy,
librarians and lawyers are joining forces.*

Talk to a Lawyer

Maine lawyers will be present at prearranged times at Maine public libraries throughout the state to meet and speak with members of the public about issues of access to courts and justice in the Twenty-First Century. The lawyers will also provide general guidance and information on referral to legal resources to individual attendees.

*Because libraries are at the heart of our communities
and justice is at the heart of our democracy.*
